

Bus Driver Training Materials

5 Steps to Better Communication

090083 BU

D 13 min 1992 AMS Distributors Inc N

Communication - It's Not Just Talk Series - This final tape in the series explains ways to apply the techniques of successful communication in day to day school bus driver situations.

Introduction to School Bus Driving;
Driver Attitude

Accident Scene Management

090009 BU

D 6 min 1981 Glenn Warren Productions

Dramatized scenes portray the proper course of action after a car accident involving a family. The actions of untrained people contrast with those of a truck driver, well versed in emergency training. While his partner calls for help, he looks for and defuses hazards. An on-screen check-list reviews important steps for first aiders.

Advanced Techniques for Special Ed Bus Driving

090128 BU

D 20 min 1999 Video Communications

Special Ed Bus Driving Series -

Follows actual examples of bus driver interactions with special ed students and how to meet the demands of safely transporting students. Key points covered include: Proper response to a student having a seizure; bloodborne pathogens clean up; tips on dealing with behavioral problems; the importance of positive communications between special ed students, their parents, bus drivers, and teachers; driver responsibility; and time management tips on the efficient loading of students.

Special Needs Passengers

Are You Reading Me?

090005 BU

D 9 min 1982 HPS Productions

Drivers receive all kinds of important information through signs, signals, pavement markings, and devices along a highway. All of these messages combine to make driving safer. This film makes drivers aware of these messages and how they are communicated. Produced for AAA.

Traffic Signs and Signals;
Defensive Driving

Are You Ready?

090020 BU

D 16 min 1977 Seven Oaks Productions

Deals with emergency evacuation of students from school buses because of fires on the bus. The film covers various fires common to school buses such as garbage box, vent, seat, and fires started by defective wiring. Evacuation of students is covered in detail with various age groups

presenting different problems for the driver.

Emergency Evacuation; Fire Safety

Attitude: Your Most Priceless Possession

090051 BU

D 20 min 1990 ACET

Fifty Minute Series - Learn how a positive attitude can trigger enthusiasm and enhance creativity; how to keep people from stealing your positive attitude; the eight attitude adjustment techniques; how attitude affects the work environment and career success. From the book by Elwood N. Chapman. Guide.

Driver Attitude

Behavior Factor

090012 BU

D 24 min 1991 Parker Productions

Focuses on aggressive behavior because drivers find it the biggest threat to the safety of other passengers.

Driver Attitude

Behind the Wheel Series

For descriptions see individual titles:

Precision Backing (Conventional Bus) [090066]

Precision Right & Left Turns (Small Bus) [090067]

Shifting Procedures & Transmission Control [090068]

Brakes and Braking

090092 BU

D 22 min 1996 AMS Distributors Inc

Comprehensive Driver Training Series

- Your drivers use their brakes hundreds of times a day, so it is important for them to know the proper techniques to test and use their vehicle's braking system. Strengths, weaknesses, regular maintenance requirements, emergency systems, and how brakes perform under various climate situations are all covered in this module, as well as a review of the importance of maintaining a proper following distance.

Defensive Driving; Pre-Trip Inspection

Bus Evacuation for Special Ed Bus Drivers

090129 BU

D 19 min 2000 Video Communications

Special Ed Bus Driving Series -

Covers how and when to evacuate both ambulatory and non-ambulatory students, and the importance of pre-trip inspection and understanding the capabilities of the students.

Special Needs Transportation;
Emergency Evacuation - Special Needs Passengers

Bus Stop Safety: The Moment of Truth

090014 BU

D 25 min 1995 Pupil Transportation Safety Institutu

Focuses on safe loading and unloading of students including driving techniques, accident prevention techniques and driver safety techniques. Includes guide.

Defensive Driving; Pick-Up & Drop-off Safety; Driver Attitude

Buster and the Boosters

090044 BU

S 20 min 1988 AMS Distributors Inc

Great for classroom training of K-3 students. Buster plays well with kids.

Student Behavior

City Driving/Country Driving (and Everything in Between)

090093 BU

D 18 min 1996 AMS Distributors Inc N

Comprehensive Driver Training Series

- An essential part of the series, illustrating all the possible types of lanes, streets, and highways a driver may encounter along his/her route. Along with these types of roadways come a number of possible hazards, and CITY DRIVING AND COUNTRY DRIVING is designed to help your drivers recognize and avoid these hazards, including cars parked along the street, partially or completely blind alleys, shopping centers, blind curves, unpaved roads, hills, and more. With an ever-increasing number of vehicles, pedestrians, and cyclists out on the roads, the need to be prepared for roadway hazards becomes more and more important.

Defensive Driving

Common Sense: Insuring Your Personal Safety

090100 BU

D 12 min 1993 AMS Distributors Inc N

Pupil Transportation Series - When you mention injuries, most drivers automatically think of a vehicle accident, but thousands of worker's comp injuries happen just getting the bus ready for a run. This program stresses the importance of putting common sense and personal awareness to work when performing all job duties.

Confidential Records: Training for School Bus Drivers

090134 BU
D 16 min 1999 Pupil Transportation Safety Institute
Both the Family and Educational Rights and Privacy Act (FERPA) and the Individuals with Disabilities Act (IDEA) require the school bus drivers be trained in the use and misuse of confidential information. This video addresses a driver's need to know about behavior management plans, health and medical needs, and who to contact in an emergency. It also addresses to whom the driver reveals this information. Contains: 1 VHS; 2 guides.

Student Discipline; Special Needs Passengers; Special Needs Transportation

Critical Factor

090037 BU
D 12 min 1989 Michelin Tire Co
New method of driver control for sudden air loss in a tire. Good for emergency driving techniques.
Defensive Driving

Death Zones

090018 BU
D 21 min 1975 Seven Oaks Productions
The death zones are the areas around the school bus that the driver cannot see. Rules set forth in this film can help the driver work with their passengers toward greater safety.
Pick-Up & Drop-off Safety

Defensive Driving

090136 BU
D 11 min CA 2001 Pupil Transportation Safety Institute
Safe Driving: A School Bus Driver's Series - Closed-captioned. Reviews visual scanning, road hazards, and communicating clearly with other motorists. Contains: 1 VHS; Instructor's Bulletin with quiz; (10) Driver Skill Cards that summarize and reinforce key points in the video; and Training log.
Defensive Driving; Introduction to School Bus Driving

Drive to Survive

090029 BU
D 20 min 1986 Spa Productions
Only split seconds hang between the realization of an emergency situation and the driver's reaction. This program offers a dramatic and graphic formula that teaches every driver to analyze situations and maintain control of the vehicle.
Defensive Driving

Driver and SBDI Videos Series

For descriptions see individual titles:
School Bus Driver Physical Performance Test [090119]

DUI: The Hard Truth

090140 BU
S 29 min CA 2008 Human Relations Media
Closed-captioned. Tells the consequences of driving while under the influence of alcohol and other illicit drugs using incidents told live in front of an audience of students. Contains: 1 Disc and Teacher's guide folder.
Drinking and Traffic Accidents; Alcohol Abuse; Pre-Trip Inspection; Substance Abuse

Emergency Maneuvers

090135 BU
D 12 min CA 2001 Pupil Transportation Safety Institute
Safe Driving: A School Bus Driver's Series - Closed-captioned. Discusses the importance of knowing what to do when emergency situations occur. Helps build and refine skills and techniques so that making the right choice becomes second nature. Contains: 1 VHS; Instructor's Bulletin with quiz; (10) Driver Skill Cards that summarize and reinforce key points in the video; and Training log.
Accidents - Prevention; Defensive Driving

Emergency School Bus Evacuation - General Ed Student Version

090113 BU
S 12 min 1997 AAA Foundation for Traffic Safety
The Safest Way Out Series - Shows children how to prepare for and execute an emergency school bus evacuation. Demonstrates how to safely exit from front, rear, side, multiple exits, emergency windows, and roof hatches, and when each exit is appropriate.
Emergency Evacuation; Student Behavior

Emergency School Bus Evacuation - Special Needs Driver Version

090111 BU
D 16 min 1997 AAA Foundation for Traffic Safety
The Safest Way Out Series - Shows drivers of special-needs school buses how to prepare for and conduct an emergency evacuation. Explains how to release wheelchairs from modern restraint systems, properly lift mobility-impaired children, and assist hearing and visually impaired children.
Special Needs Passengers; Emergency Evacuation

Engineering Ideas to Protect Students in the Pick-Up and Drop-off Zones

090117 BU
D 10 min 1997 Madison-Oneida BOCES/Rome School
Education, enforcement, engineering, and evaluation all help transport students safely.
Pick-Up & Drop-off Safety

Fatal Stop

090010 BU
D 25 min 1977 Parker Productions
Designed to develop an awareness of why pre-trip inspection is important and the consequences if poorly done. All events in the film are re-enactments of actual occurrences.
Pre-Trip Inspection

Bus Driver Training Materials

The Five "Sees" of Driving...Or How to Avoid Becoming a Statistic

090098 BU

D 14 min 1996 AMS Distributors Inc N

Comprehensive Driver Training Series - A defensive driving program that demonstrates five simple techniques for increasing a driver's awareness of the road hazards they face every day along their route. Focuses on the importance of a driver's ability to deal with the potential for an accident and how to use all of their knowledge of their bus to avoid that accident.

Defensive Driving

For You, the Veteran Driver

090080 BU

D 26 min 1993 AMS Distributors Inc N

Pupil Transportation Series - Jim Ellis, noted school transportation expert, looks at the strengths and weaknesses of being a veteran driver. This program is filled with information and examples to remind veteran drivers of the importance of correcting bad habits before they cause a serious problem.

Driver Attitude

Foundation of Communication

090081 BU

D 13 min 1992 AMS Distributors Inc N

Communication - It's Not Just Talk Series - An introduction to the concepts of effective communication designed for school bus drivers. Focuses on talking, listening, and understanding as elements of communication.

Driver Attitude; Introduction to School Bus Driving

Ghost Rider

090007 BU

DS 15 min 1982 Pennsylvania State Univ

With the help of "Ghost Rider" (a girl killed in a bus accident), a young boy learns emergency evacuation procedures then uses what he learned to bring everyone to safety during an accident.

Emergency Evacuation

Gun on the Bus

090114 BU

D 15 min 1996 Pupil Transportation Safety Institu

Interview with bus driver Dave Sterling. NYS Bus driver gives account of a student firing a gun on his bus.

Student Behavior

The Hostile School Bus

090133 BU

D 26 min 1995 Pupil Transportation Safety Institu

The problem of harassment in school transportation is addressed. Training on harassment adapted from Iowa Department of Education. Kit includes: a three-part video, including a 15-minute overview, nine training vignettes and a summary; discussion questions for each of the nine vignettes; and text for a full training presentation, covering the key elements of effective driver training on how to handle harassment on school buses. Includes instructions for trainers to adapt the text to fit their needs and 40 overhead transparencies to reinforce key training messages.

Student Discipline; Student Behavior

In Less Than a Second

090096 BU

D 13 min 1995 AMS Distributors Inc *Comprehensive Driver Training Series*

- A detailed, 3-D, animation graphically illustrates what happens in the first seven-tenths of a second when a vehicle moving at 55mph hits a solid, unmoving object. This sequence is designed to impress upon your drivers the importance of maintaining proper following distance, braking distance, safe passing procedures, and many other safe driving rules of the road.

Defensive Driving

Intervention Strategies for Special Ed Bus Drivers

090130 BU

D 20 min 2000 Video Communications

Special Ed Bus Driving Series - Shows bus drivers how to intervene when inappropriate behavior occurs on a school bus. Includes the importance of teamwork between parents, driver, teachers, and students; importance of positive reinforcement; verbal intervention strategy; and the importance of the IEP.

Special Needs Transportation; Student Behavior

Introduction to School Bus Defensive Driving

090116 BU

D 19 min 1998 OCM BOCES

Mirrors, intersections, loading and unloading, railroad crossings, school sites, vision, and the space cushion are the topics covered.

Defensive Driving

Introduction to Special Ed Bus Driving

090127 BU

D 19 min 1999 Video Communications

Special Ed Bus Driving Series - Using the model of a skilled school bus driver instructor providing instruction to a new trainee, this video covers a variety of key points: Driving techniques to meet the needs of special education students; preparation of wheelchair prior to loading students onto the platform; properly tying wheelchairs; demonstration of how to raise the chair lift when the electrical systems fails; and techniques for preventing back injuries when tying down wheelchairs. Covers new federal standard for configuring special ed buses.

Special Needs Transportation; Introduction to School Bus Driving

Introduction to the Special Needs Bus

090108 BU

D 10 min 1990 AMS Distributors Inc N

Special Needs Sensitivity Training Series - Provides a complete overview of the challenges facing the new special needs driver and attendant.

Special Needs Transportation

Just in Case: Suppression of School Bus Fires

090017 BU

MD 26 min 1972 Seven Oaks Productions

Dramatizes fires and procedures for the drivers to follow both in terms of the fire and the passengers.

Fire Safety; Emergency Evacuation

Keeping the Lid on It: Behavior Management Practices for the School Bus

090139 BU

D 13 min 2003 Pupil Transportation Safety Institu

Helps drivers understand and develop mutually beneficial relationships with their young passengers. Encourages mutual respect and cooperation to eliminate many of the behavior problems experienced by drivers.

Driver Attitude; Student Behavior

Loading and Unloading

090072 BU

D 21 min 1988 AMS Distributors Inc N

School Bus Driver Training Series - Covers when and how to use light systems, how to stop at pick-up-points, using mirrors, merging back into traffic, and more.

Defensive Driving; Pick-Up & Drop-off Safety

Bus Driver Training Materials

The Loading Zone

090064 BU
D 12 min 1992 U.S Department of Transportation
Outlines the responsibilities of the school bus driver in ensuring student safety in the loading zone.
Pick-Up & Drop-off Safety

A Matter of Time

090061 BU
D 11 min 1991 AMS Distributors Inc
Pupil Transportation Series - Statistics show for most drivers, it is only a matter of time until they are involved in an accident. Discusses safe driving techniques for avoiding accidents.
Defensive Driving

Operation Safe Stop: News Broadcast Campaign 1995-1996

090124 BU
MD 63 min 1995 Madison-Oneida BOCES
A collection of public service announcements and news broadcasts designed to educate the public about the consequences of passing a stopped school bus with its red lights flashing.
Pick-Up & Drop-off Safety

Panic Factor

090006 BU
D 20 min 1982 Pennsylvania State Univ
Deals with school bus evacuations and shows how the "Panic Factor" plays a big role in emergency situations. Shows how people do not always behave sensibly when they are panicked.
Emergency Evacuation

Precision Backing (Conventional Bus)

090066 BU
MD 43 min 1994 Buckley Productions
Behind the Wheel Series - Explains proper driving fundamentals and helps develop precision vehicle movement for backing, turning and parking maneuvers.
Defensive Driving

Precision Right & Left Turns (Small Bus)

090067 BU
MD 40 min 1994 Buckley Productions
Behind the Wheel Series - Explains the techniques used in small school buses for precision right and left turns including the use of turn signals and the operational use of mirrors.
Defensive Driving

Preventing Disaster at the Crossing

090065 BU
MD 18 min 1991 Idaho Dept. of Law Enforcement
Shows bus drivers the potential for danger at highway/rail crossings and outlines a ten-step National Safety Council procedure for safer bus driver actions at rail crossings. A crash is staged at the site of the worst U.S. train-school bus disaster to show the tremendous forces involved.
Defensive Driving

Pro-Driving Attitudes

090028 BU
D 16 min 1975 AIMS Multimedia
Professional drivers have better than average safety records. This program demonstrates four key attitudes characteristic of professional drivers. Being alert, being prepared for the unexpected, being wary and suspicious of other drivers and pedestrians at intersections, and being patient and considerate of other drivers and driving conditions.
Driver Attitude

Pupil Transportation Series

A Matter of Time [090061]
Who's Liable? [090103]

Reference Point Driving

090101 BU
D 32 min 1995 AMS Distributors Inc
Comprehensive Driver Training Series - Must really be seen to be believed! By spending a brief period of time establishing several reference points on a bus, any driver can negotiate some of the most difficult driving maneuvers accurately every time. Many of the procedures taught will be used daily in the bus yard and the school parking lot. Although accidents here rarely lead to injuries, they can become costly since they often involve sheet metal repair or the need for the use of relief buses. Over-the-road accidents can lead to injuries or even loss of life. Transportation experts believe that most accidents are preventable, and may will be avoided when drivers have been trained with this program.

Defensive Driving; School Bus Accidents

Relationships and Responsibilities

090121 BU
D 14 min 1999 OCM BOCES
Explores the importance of people skills needed to do a professional job as a school bus driver. Then covers the process of becoming a driver.
Introduction to School Bus Driving

Riding the Bus/Willie Whistle Rides the School Bus

090122 BU
S 13 min 1999 Dunlap and Associates
Animated Willie Whistle teaches children the danger zones around a bus and how to wait safely.
Pick-Up & Drop-off Safety

Safe Crossing Rule, an Eggcellent Idea

090062 BU
SD 10 min 1991
Teaching students safe crossing procedures as well as other student safety rules.

Tracks

090001 BU
D 35 min 1986 Commonwealth Films
Makes many strong points about safe driving habits including wearing seat belts, not allowing distractions, obeying speed limits, not overloading a vehicle, or a drivers schedule. The dramatic story is followed by a short feature which outlines the most widely recommended steps for an accident investigation and review.

Defensive Driving

Transporting the Student with ADD/ADHD

090109 BU
D 13 min 1993 AMS Distributors Inc N
Special Needs Sensitivity Training Series - Describes how a school bus driver can meet the needs of a student with Attention Deficit Disorder/Hyperactivity.

Special Needs Transportation

Two Minutes or Less

090021 BU
MD 20 min 1987 BOCES I Monroe
Includes a true story about Earl Pittanaro, a wheelchair school bus driver, who had a fire on his bus. Shows the importance of driver and attendant cooperation in evacuating the bus, "In Two Minutes or Less."

Emergency Evacuation - Special Needs Passengers; Special Needs Transportation; Fire Safety

Understanding the Dysfunctional Family

090095 BU
D 21 min 1993 AMS Distributors Inc N
Special Needs Sensitivity Training Series - Not all the challenges of special needs transportation involve the students. Many drivers will say that sometimes the greatest challenge is dealing with the parents of riders with disabilities. This program gives a better understanding of the stress and emotional problems that sometimes lead to a parent's uncooperative or hostile behavior. The driver who learns to be patient and understanding of both passengers and their parents can reduce or even eliminate these problems.

Special Needs Transportation; Driver Attitude

Understanding the Key to Managing the Middle School Rider

090104 BU
D 45 min 1992 AMS Distributors Inc
School Bus Driver Training Series - An informative program designed to help drivers understand the nature of middle school students.

Student Discipline; Student Behavior

Universal Precautions for the Special Needs Bus

090090 BU
D 11 min 1992 AMS Distributors Inc
BUS DRIVER TRAINING
Special Needs Pupil Transportation Series - Because special needs drivers are exposed to other virus carrying body fluids besides blood, this program includes information on preventing the transmission of HIV, CMV, Hepatitis A and B, Influenza, and the common cold.

Special Needs Transportation

Using Your Mirrors

090137 BU
D 10 min CA 2001 Pupil Transportation Safety Institute
Safe Driving: A School Bus Driver's Series - Closed-captioned. Covers the proper use of mirrors when driving, waiting, merging, passing, and backing. Also addresses the importance of adjusting mirrors prior to and during operation. 1 VHS; Instructor's Bulletin with quiz; Driver Skill Cards that summarize and reinforce key points in the video. Also includes quiz.

Pre-Trip Inspection; Introduction to School Bus Driving; Defensive Driving

Violence Prevention on a School Bus

090138 BU
D 21 min 2002 Video Communications
Drivers will see re-enactments of dangerous situations involving students and weapons both on and off the bus. Video includes breaks for discussion on possible driver responses, then suggests a procedure. Includes how to respond to a hijacking.

Driver Attitude; Student Behavior

Vision Obscuration

090118 BU
D 11 min 1995 East Coast Teleproductions
Shows an accident involving a school bus and a tractor trailer. Attempts to determine whether parts of the bus obscure vision and how to improve safety.

Defensive Driving

Wheelchair Management

090102 BU
D 10 min 1992 AMS Distributors Inc N
Special Needs Pupil Transportation Series - Covers the problems caused by the many variables in wheelchairs, from differences in construction to the variety of ways they must be secured on the bus.

Special Needs Transportation

Bus Driver Training Materials

When Vehicles Contact Power Lines: Stay Safe, Stay Inside

090132 BU

JSAD 10 min 2001 Niagara Mohawk
Explains how to react if your vehicle contacts a power line - stay safe, stay inside.

Electricity

Who's Liable?

090103 BU

D 22 min 1993 AMS Distributors Inc
Pupil Transportation Series - This program provides answers to complicated legal issues, covers conditions of liability, and the potential for personal fault or liability. Examples of court cases help drivers understand these terms and how they apply when determining fault in the event of an accident.

School Bus Accidents

Why Do People Act That Way?

090082 BU

D 10 min 1992 AMS Distributors Inc
N

Communication - It's Not Just Talk Series - Explains for school bus drivers how to understand WHAT others are saying, and WHY and HOW they are saying it. Helps drivers to improve communication with parents, teachers, and others.

Driver Attitude; Introduction to School Bus Driving

Winter and Adverse Weather Conditions

090054 BU

D 20 min 1987 Minnesota Assoc for Pupil Transport
School bus driving in extreme weather conditions. Controlling skids and dealing with emergency conditions in winter driving. In kit with Student Management.

Defensive Driving

You and Your Bus: The Perfect Fit

090097 BU

D 15 min 1995 AMS Distributors Inc
N

Comprehensive Driver Training Series - Covers the need for a driver to have extensive knowledge of the bus he/she drives daily. Correct seat adjustment, mirror adjustment, knowledge of what each mirror should reflect, blind spots, assessing depth perception, how to establish reference points, and more.

Introduction to School Bus Driving; Pre-Trip Inspection
